Chapter 12
Changing Times

Find out and write (Page 98)

Q.1. Talk to any of your grandparents or other elderly people. Find out, when she or he was 8-9 years old:

(i) Where did she or he live?

Ans. She lived in a hut in a village.

(ii) From what materials was her or his house made?

Ans. Bamboo, mud, wood, straw, etc.

(iii) Did she or he have a toilet in her or his house?

Ans. yes

(iv) In which part of the house was food cooked?

Ans. There was a separate kitchen.

(iv) A lot of mud was used when chetandas house was made. Why?

Ans. Mud helps to keep the house cool in summer and warm in winter.

A changing house (Page 99)

Q.1. Chetandas tells that people from outside the house used to come to clean the toilets and take away the waste. They were not allowed to enter the house.

The people who used the toilets did not clean them. Discuss.

Ans. People who use the toilet do not clean it. They think it is a dirty job.

Q.2. Is there a toilet in your house? Who cleans it?

Ans. We have a toilet. We clean it ourselves.

Seeing New things (Page 101)
