# Books

0424CH08

“Come in, come in!”  
Said the library door;  
I opened it wide  
And saw books galore!

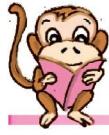

Tall skinny books  
Up high on the shelves;  
Little fat books  
That stood by themselves.

I opened one up  
And sat down to look;  
The pictures told stories!  
What a wonderful book!

# Going to buy a Book

One day, grandfather gave my brother  
and me some money.

"Go and buy books," he said.  
We were both very happy.  
We both love to read.

Should we go now?  
Should we go later?  
Should we go today?  
Should we go tomorrow?  
We decided to go right now.

Should we go to the big market?  
Should we go to the small shop?  
Should we go with somebody?  
Should we go alone?  
We decided to go to the small shop,  
just the two of us.

We like the small bookshop.  
It is small but it has many books.  
The man in the shop likes us.  
He always helps us.

Should I buy a book with a lot of pictures?  
Should I buy a book with a lot of stories?  
Should I buy a thin book?  
I could not decide.

We did not know which book to buy.  
The man in the shop smiled at us.  
“Relax, come with me,” he said.  
“These books are about animals.  
Those are about machines.  
Those over there are about wars.  
Take what you want.”

I picked some books.  
My brother picked some books.

I sat on the floor.  
He sat on the chair.  
And we read and we read and we read.

It was very quiet.  
There was no sound.  
One hour passed.  
Two hours passed.  
Finally, we knew which books to buy.

The man in the bookshop smiled at us.  
I got a fat book with many stories.  
My brother got a big book with many pictures.

We ran home to our grandfather.  
We climbed on his bed.  
He put his arms around us and then  
We read, and read, and read.

– Rukmini Banerji

*Panchatantra Stories*.

4. What is your favourite book? Write down the name of  
the book. Then write down the story.

## Let's make a bookmark

### Make your own bookmark

Remember to treat your books well. Never fold the corners of pages. This makes books look shabby and old.

A bookmark helps you to find the page you were on when you last read your book.

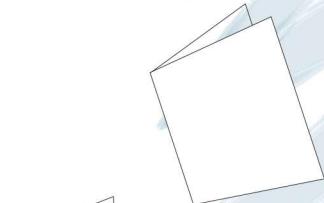

Here is a way to make your own beautiful Dove Bookmark.

#### You need –

- An old greetings card/wedding card/scissors
- A black *bindi* for the eyes

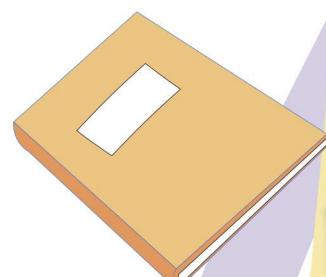

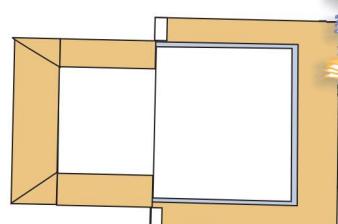

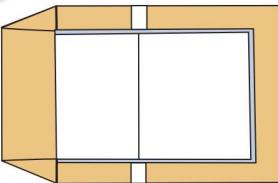

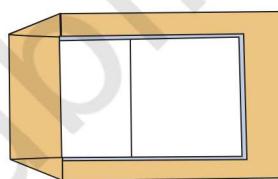

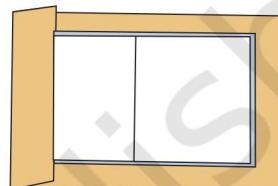

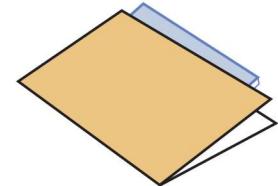

#### Method –

- Take the old card. You will need to use the inside of the card.
- Fold it into two as shown in the picture.
- Trace the outline of a dove on the card.
- Cut it along the lines.
- Make an outline with a black pen.
- Stick a *bindi* for the eye.
- Paste it on a strip of 2 inches x 4 inches.
- Your Dove Bookmark is now ready to be used.

## Let's cover our book

1. Spread your notebook on a brown paper which is four inches bigger than your notebook, as shown in the picture.
2. Fold the paper into two halves with the book inside it in the middle.
3. Fold the two open flaps of paper inside the first and the last page of the book and press to crease.
4. Fold the closed end of the two top and bottom flaps of the paper, forming a triangle. Crease the paper and cut it.
5. Fold the two front flaps inside the first page and crease it.
6. Fold the two back flaps under the last page and crease it.
7. Now your book is neatly covered.
8. Write your name and class on the cover. Then write the subject you will use this notebook for.

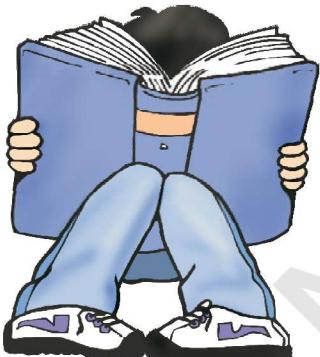

## DO YOU KNOW?

The earliest **books** were written by hand. Two thousand years ago in India, birch bark (**bhojapatra**) and palm leaves (**talapatra**) were used for pages. A pen and black ink were used to write on birch bark. A sharp, iron spike was used for writing on palm leaves. Holes were drilled through the leaves and the **book** was held together by a string!

*Enjoy and read the poem*

### Say in Chorus

*Books are great! Books are fun!  
Books let you do what you've never done!  
Read a good mystery, solve a crime!  
Read about history, go back in time!*

Read about a lost dog, where can it be?

Read about a giant frog under the sea!

Read a very funny book, tears go away!

Read a bright, sunny book on a rainy day!

### Chorus -

*Books are great! Books are fun!  
Let's read books, everyone!*

– Mash Goldfish (adapted)
